Malaysian International Trade and Exhibition Centre (MITEC) is a significant economic catalyst and a gateway to Southeast Asia, boasting an expansive exhibition space of over 52,000 sqm. It features triple-volume exhibition halls that offer endless possibilities. As the largest trade and exhibition centre in Malaysia, MITEC is the third largest MICE (Meetings, Incentives, Conferences, and Exhibitions) venue in Southeast Asia.

The upcoming METALTECH & AUTOMEX event anticipates over 18,000 visitors and will showcase thousands of products from more than 1,500 participating companies. To ensure a seamless experience, we have taken steps to simplify transportation, parking, and arrival processes. Please take a moment to review the information provided below for an overview of the available transportation options, parking facilities, and other relevant details about the show.

Park 'n' Ride | Your visiting experience is our priority

With Park 'n' Ride, we aim to streamline transportation and parking. To enhance your journey, use Park 'n' Ride, the optimal solution for attendees arriving by car. Simply park your car at one of the designated locations and take advantage of the FREE shuttle bus services. These buses will conveniently transport you to and from MITEC, ensuring a hassle-free and convenient arrival. We are committed to enhancing your overall experience at METALTECH & AUTOMEX and look forward to welcoming you!

GOLD SPONSOR

Monitor ERP

MONITOR ERP SYSTEM SDN BHD

Booth: 7170

Product Name: Monitor ERP

Product Description:

Monitor ERP is an award-winning, complete ERP system, developed with over 50 years of experience to effortlessly fit your manufacturing processes.

Monitor elevates your production quality and efficiency by integrating six key modules: Manufacturing, Purchase, Sales, Stock, Time recording, and Accounting, covering all aspects of your manufacturing operations.
What sets our software apart is its user-friendly interface and cost-effectiveness, providing real-time control over shop floor operations. Our "Sustainability by Monitor" functionality enables you to measure and report CO2 emissions at the component level, complying with international and upcoming standards.

Meet us at Booth 7170, Hall 7 for a Monitor ERP demo.

NON-WOVEN BAG SPONSOR

LVD (MALAYSIA) SDN BHD

Booth: 3210

We are thrilled to unveil a groundbreaking advancement in the realm of sheet metalworking: LVD MULTIFOLD Automatic Panel Bender. This cutting-edge machine represents a revolutionary leap forward in fast, efficient, fully automatic and versatility, setting a new standard for the industry in panel production. Meet us at Booth 3210 and see our newly launch Panel bender at METALTECH & AUTOMEX!

VIP LUCKY DRAW SPONSOR

REVOLUCION TECHNOLOGY SDN BHD

Booth: 3130

ROBOTIC AUTOMATION & INDUSTRIAL 4.0

Revolucion Technology coorperate between robots and humans, our products carry features of high precision and resource- saving to help manufacturers achieved goals with high accuracy in repetitive task, enable human to do more creative work with the assistance of robots.

INDUSTRIAL GAS SPONSOR

AIR LIQUIDE MALAYSIA SDN BHD

Booth: 3345

Experience exceptional gas solutions for your everyday welding requirements, combining simplicity and superior performance. Presenting our cutting-edge ARCAL™, a ready-to-weld solution, complemented by the innovative EXELTOP built-in regulator. Meticulously engineered to prioritize reliability and efficiency, our products cater to a wide range of welding needs, ensuring optimal outcomes in your welding endeavors. Meet us at Booth 3345 to learn more!
