METALTECH & AUTOMEX 2024

Continues to Drive Malaysia's

INDUSTRY 4.0 REVOLUTION

The 28th International Machine Tools, Metalworking and Automation Technology Exhibition, METALTECH & AUTOMEX 2024, kicked off with a dazzling opening ceremony at the Malaysia International Trade and Exhibition Centre (MITEC). The event, which runs from 15 – 18 May 2024, is poised to be a major driver of Malaysia's manufacturing future by showcasing the latest advancements in Industry 4.0 technologies.

The opening ceremony was officiated by YBhg. Datuk Hanafi Sakri, Deputy Secretary General (Industry) of the Ministry of International Trade and Industry (MITI). He was joined by Organising Chairman of Informa Markets Malaysia, YBhg. Tan Sri Dato Sri Dr Hj Mohd Nasir Bin Mohd Ashraf, Chairman of METALTECH & AUTOMEX, YBhg. Dato Dr Tan Chin Huat, and Country General Manager of Informa Markets Malaysia, Mr. Gerard Leeuwenburgh. Their presence highlighted the importance of METALTECH & AUTOMEX as a platform for growth and innovation in Malaysia's manufacturing sector.

Datuk Hanafi's keynote address highlighted the impressive growth of Malaysia's manufacturing sector. In 2023, investments surged to RM152.0 billion, a remarkable 80.3% increase compared to the previous year. Strong foreign and domestic investments demonstrated both investor confidence in Malaysia and the country's resilience in a surprisingly positive global economic climate. He emphasised the role of METALTECH & AUTOMEX in propelling Malaysia towards becoming a regional leader in smart manufacturing, advanced technologies, and high-tech industries.

"This year's theme perfectly aligns with Malaysia's vision for industrial development as outlined in the New Industrial Master Plan 2030 (NIMP 2030). This plan emphasises adopting advanced technologies and

digitalisation across all sectors. METALTECH & AUTOMEX serves as a crucial platform to empower domestic manufacturers by showcasing cutting-edge technologies, fostering collaboration, and facilitating knowledge sharing, said Datuk Hanafi Sakri.

"The future of manufacturing isn't just about machines, it's about the intelligent ways we use them. The industry is undergoing a period of unprecedented transformation. We're witnessing disruptive technologies like artificial intelligence, robotics, and the Internet of Things (IoT), fundamentally reshaping how we design, produce, and deliver products. These advancements present both challenges and opportunities. Embracing them isn't optional, it's a necessity," said Dato Dr Tan Chin Huat.

THANKS FOR THE EPIC TURNOUT!

We are deeply grateful for the overwhelming support shown by buyers and visitors at METALTECH & AUTOMEX 2024! Your enthusiasm and active participation have brought an electrifying energy to the event, showcasing the immense passion that propels our industry forward.

LET'S FORGE CONNECTIONS, FOSTER INNOVATION, AND DRIVE TRANSFORMATION.

Unveiling the future INNOVATIVE PRODUCT LAUNCHES

METALTECH & AUTOMEX 2024 is thrilled to be the platform of choice for industry leaders to unveil their groundbreaking new products. We were especially honoured to have Aliran Tenaga Technology Sdn. Bhd. leading the charge with their exciting product launch. Their presence is a testament to the calibre of innovation on display at our event. But this is just the beginning! Numerous other industry giants have chosen our event to showcase their latest cutting-edge technologies. We're confident these advancements will have a transformative impact on the future of manufacturing.

EXPLORE DISRUPTIVE INDUSTRY

TRANSFORMATIONS

METALTECH & AUTOMEX 2024 empowered attendees to sharpen their expertise and stay ahead of the curve! Engaging seminar sessions, presented by leading industry innovators, offered a wealth of knowledge. Attendees explored the latest technology trends and advancements, gained valuable insights, and networked with fellow professionals, making it a truly enriching experience.

Don't miss out!
Tomorrow marks
the final day of seminars!

LET'S CELEBRATE! METALTECH & AUTOMEX 2024 EXHIBITOR APPRECIATION NIGHT

Flaring lights, pumping beats, and a room buzzing with connections – that's what went down at the unforgettable METALTECH & AUTOMEX 2024 Exhibitor Appreciation Night! We indulged in a feast fit for industry titans, roared with laughter at the electrifying entertainment, and celebrated the incredible exhibitors who made this event possible.
