INDUSTRY 4.0 SEMINAR PROGRAMME

METALTECH keeps you at the forefront of the industrial revolution with access to groundbreaking innovations and cutting edge technologies under one roof.

With our FREE and comprehensive seminar programme, you'll gain the knowledge to drive your business forward into the future of SMART manufacturing.

REGISTER AS A SEMINAR SPEAKER

If you are an expert in the Manufacturing, Machine Tools, Metalworking and Automation Technology industries, we want YOU to speak at METALTECH 2020.

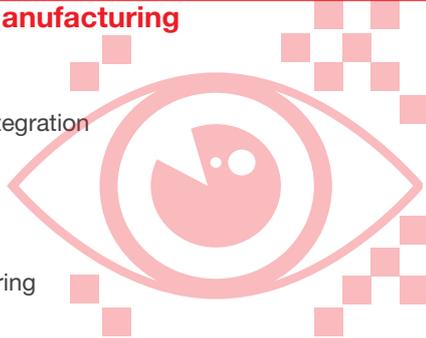

Send in your application to join our esteemed panel of speakers and seize your chance to become a regional or global market leader.

The principle ideas and topics we aim to highlight in 2020 are:

The Nine Pillars of Industry 4.0

Embracing a New Age of Manufacturing

- Industrial Internet of Things
- Autonomous Robots
- Horizontal and Vertical System Integration
- Big Data and Analytics
- 3D Simulation
- Cybersecurity
- Augmented Reality
- 3D Printing & Additive Manufacturing
- Cloud Computing / The Cloud

Advanced Manufacturing & Smart Automation

Propelling 'Smart Factory' Innovation

- Smart Machines
- Robot Automation
- Artificial Intelligence
- Machine Learning
- Automated System Integration
- 3D Printing & Addition Manufacturing
- Latest Welding Technologies

Advanced Precision & Quality Controls Inspection

Advancing the 2030 Blueprint

- Aero Structures & Airframe Equipment Manufacturing
- MRO Simulators
- Positive Outlook of Aero-manufacturing Engineering & Design
- Achieving Analysis & Certification in Aerospace
- Aero-Simulation Integration

HOW TO APPLY

To apply for a speaking opportunity at the METALTECH 2020 series of seminars, you will be required to send in a working paper that provides a summary along with relevant details of the topic you wish to present.

If your application is successful, you will be invited to present a 60-minute talk that is accompanied by a visual presentation during one of the first three days of METALTECH 2020.

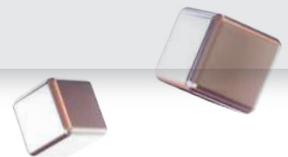

Your participation will afford you and your company plenty of valuable exposure so whether you are an established industry player or an innovative new startup, this is your opportunity to seize the limelight.

To submit your paper, please contact Ms. Kelly Liau at +603 9771 2688 or email Kelly.Liau@informa.com

Don't delay – papers must be submitted on or before 31 March 2020 to receive due consideration.
