MALAYSIA INTERNATIONAL TRADE & EXHIBITION
CENTRE (MITEC), KUALA LUMPUR, MALAYSIA

MALAYSIA'S LEADING
**MANUFACTURING
EVENT** THAT COMBINES
PHYSICAL EXHIBITION
WITH **VIRTUAL "ONLINE"**
COMPONENT

A NEW DIMENSION IN NEW NORMAL

The global pandemic has exerted an adverse impact on the worldwide manufacturing industry but also compelled many companies to put a digital transformation programme in place by establishing various digital channels to complement their successful face-to-face business activities.

Our desire to host an excellent business platform for the manufacturing community is now matched with a new digital initiative added in **METALTECH & AUTOMEX**. We are proud to introduce the first-ever **Manufacturing & Automation Hybrid Exhibition held in Malaysia** to keep the all-important Malaysian manufacturing industry to continuously connected with their buyers through the physical and online platform.

METALTECH & AUTOMEX Hybrid Exhibition will be held concurrently from **22-25 JUNE 2022** at Malaysia International Trade & Exhibition Centre (MITEC) Kuala Lumpur, Malaysia.

INTRODUCTION TO HYBRID EXHIBITION

METALTECH & AUTOMEX Hybrid Exhibition combines both the physical and virtual presence of exhibiting brands, providing both exhibitors and visitors with options to connect in a professional setting in a safe physical environment and a non-restricted virtual space simultaneously.

The Virtual Platform is a complement to the physical event, where buyers and exhibitors can build business connections through a virtual space. The Virtual Platform is designed to replicate the appearance of a live event to ensure a realistic and immersive experience for the visitors. Customised exhibition booths and structures are available across the platform, and visitors can conveniently visit and browse the exhibitor's offerings.

PHYSICAL EXHIBITION

Focusing on face-to-face business meetings with physical visitors

Helps to build brand proximity and awareness to the onsite visitors

Generate and nurturing sales leads after the physical event

VIRTUAL EXHIBITION

Using interface-to-interface virtual meeting targeting a wider global audience

Create additional exposure to your brand and message with extended advertising opportunities

Utilise special analytic tools and lead tracking to receive immediate sales leads
